Please join us for a weekend of inclusive events and activities to mark and celebrate LGBT+ History Month 2017. In addition to the events themselves, there will be numerous stalls from local and national LGBT+ groups.

There will be a dedicated area for young people, a space for reflection and remembering those LGBT+ people who went before and fought and campaigned for our rights, or for those hidden LGBT+ people who could not – and still cannot – be their true selves through bigotry, hatred and prejudice.

Enjoy music, spontaneous entertainment, food and drink and above all, the opportunity to meet new people in an inclusive, welcoming and friendly environment.

We look forward to welcoming you to Sheffield LGBT+ History Month 2017 celebrations.
